RESOLUTION 2026 – 70 **AUTHORIZING AGREEMENT WITH BOYS' AND GIRLS' CLUB OF ORCHARD PARK, INC.**

WHEREAS, the Town of Boston desires to provide year-round recreation and after-school programming to the youth of the Town without the expense and liability of running its own recreation program; and
WHEREAS, the Boys' and Girls' Club of Orchard Park, Inc. (the "Club"), has offered to provide programming, management, resource development and financial oversight services to improve the recreation programs and services provided for Town of Boston youth; and
WHEREAS, the proposed management agreement between the Town and the Club provides that the Club will provide services to Boston youth in exchange for Town support in the amount of $80,000 for 2027 and $80,000 for 2028 and the use of the Town's existing recreation building; and
WHEREAS, the proposed management agreement contains additional mutually desirable terms and covenants; and
WHEREAS, the Town Board believes that entering into a management agreement with the Club is in the best interests of the Town of Boston;
NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Boston hereby authorizes the Town Supervisor to execute the management agreement with the Boys' and Girls' Club of Orchard Park, Inc., continuing the services provided to the community for the last 6 years.

RESOLUTION 2026 – 71 UPDATE STIPEND FOR BOARD OF ASSESSMENT REVIEW

WHEREAS, the Town of Boston requires three members for its Board of Assessment Review ("BAR"), and has found recruitment and retention of qualified members to be challenging, in part because BAR members must attend training and grievance day(s) that occur during normal business hours; and

WHEREAS, all volunteer members of Town Advisory Boards sacrifice precious time and talent, but most required meetings and trainings for the other Boards can be attended outside of normal business hours, and therefore members of other Town Advisory Boards generally are not required to take paid or unpaid leave from their jobs to participate; and

WHEREAS, on Resolution 2024-24, the Town Board set up a stipend for the Board of Assessment Review members to offset expenses or losses incurred while serving on the BAR; and

WHEREAS, the Town Assessor requested that the 2027 budget include an increase in the stipend amounts set in 2024 to $165/member for Grievance Day and $30/training session;

NOW THEREFORE BE IT RESOLVED, that the Town of Boston does hereby update and re-adopt the following policies and procedures relating to the Board of Assessment Review (BAR) also known as Assessment Board of Review:

Purpose – The purpose of these policies and procedures is to establish guidelines for providing a stipend to members of the Assessment Board of Review for their participation in training sessions and grievance days.

Eligibility – All Members of the Assessment Board of Review may receive a stipend for days they actively participate in training sessions and grievance day proceedings.

Stipend Amounts – Members may receive stipends for their service as follows:

- **Training Sessions:** Members are eligible for a stipend of $30 per training session attended. Training sessions are held by the County using materials provided by New York State which are aimed at detailing pertinent information to the role of a Board of Assessment Review member as well as detailed information on the Grievance Day process and requirements.
- **Grievance Day:** Members are eligible for a stipend of $165/day for their participation on grievance day. Grievance day refers to the specific day or days set aside for property owners to challenge their property assessments before the Assessment Board of Review.

Submission of Claims – Members who wish to receive a stipend must submit a signed voucher to the bookkeeper within 30 days following the training session or grievance day. Along with the voucher, supporting documentation shall include a Form W-9, and proof of attendance in the form of a certificate of completion, sign-in sheet, or verification of attendance by the Town Assessor.

Approval & Payment of Claims – Stipend claims will be reviewed by the bookkeeper and put in front of the town board for approval via abstract at a town board meeting. Payments will be issued by check to the claimant.

Source of Funds - Payment shall be made through funds appropriated in the 2027 budget on line A00-1355-0400 (Assessor-Contractual). Stipends in future years shall be evaluated at budget creation.

Review & Amendments to Policy – These policies and procedures will be subject to periodic review and may be amended by the Town Board to reflect changes in stipend rates, eligibility criteria, or other relevant factors. The Town Board may eliminate stipends, and no stipends shall be available if sufficient funds are not appropriated by the Town Board for that purpose in future years. Any amendments will be communicated to the Assessment Board of Review in a timely manner.

Implementation –These policies and procedures shall take effect immediately upon approval by the Town Board with stipends as described herein available for the 2027 Assessment Board of Review.

RESOLUTION 2026 – 72 **RESOLUTION AUTHORIZING NOTICE PURSUANT TO CIVIL SERVICE LAW § 71**

WHEREAS, the Town Board has reviewed the employment status of Thomas Murphy, Code Enforcement Officer, and the applicable provisions of New York State Civil Service Law § 71; and
WHEREAS, the Town Board desires to provide the employee with appropriate notice and an opportunity to exercise his rights under applicable law;
NOW, THEREFORE, BE IT RESOLVED, that the Town Board hereby authorizes Town Supervisor Jason Keding to issue a Notice of Proposed Termination of Employment to Thomas Murphy pursuant to Civil Service Law § 71, with a proposed effective termination date of December 14, 2026; and
BE IT FURTHER RESOLVED, that the Town Board hereby authorizes termination of said employment effective December 14, 2026, provided that all applicable notice and procedural requirements have been satisfied, and subject to the employee's rights under Civil Service Law § 71 and other applicable law; and
BE IT FURTHER RESOLVED, that the Town Supervisor is authorized to take such administrative actions as may be necessary to implement this resolution, including extending the proposed termination date if necessary to comply with applicable legal requirements.

RESOLUTION 2026 – 73 APPROVAL OF THE STAFF LEASING AGREEMENT BETWEEN BOSTON EMERGENCY SQUAD AND TOWN OF HAMBURG EMS

WHEREAS, in 1989 the Town of Boston formed the Town of Boston Ambulance District ("District"), encompassing the entire Town, to provide ambulance service for the Town; and

WHEREAS, Boston Emergency Squad, Inc. ("BES"), has provided ambulance service to the District since it was created, and that not-for-profit, volunteer-run organization proudly has provided ambulance service to the Town since 1967; and

WHEREAS, the District and BES annually enter into a contract that outlines the services to be provided by BES and the consideration to be provided by the Town; and

WHEREAS, pursuant to Town Law § 198(10-f)(a), on behalf of the District the Town Board is empowered with respect to the District to "contract with one or more individuals, municipal corporations, associations, or other organizations… to supply staff and equip emergency medical service or ambulance vehicles suitable for such purposes and operate such vehicles for the furnishing of prehospital emergency treatment;" and

WHEREAS, the Town has been notified that BES has entered into a Staff Leasing Agreement with the Hamburg Volunteer Ambulance Company, Inc. doing business as Town of Hamburg EMS ("HEMS"), for the provision of staffing an Advanced Level Emergency Medical Technician (AEMT) to help with declining volunteerism rates and bolster the level of calls that are able to be responded to within town; and

WHEREAS, the Town Board recognizes the challenges associated with declining volunteer levels and the importance of ensuring that the BES maintains sufficient ability to respond to emergency calls and meet the service demands of the ambulance district; and

WHEREAS, the Town Board understands that the Staff Leasing Agreement with HEMS is an effort to address these volunteer shortages to support reliable and timely emergency medical services to the Town of Boston residents; and

WHEREAS, the Town Board has reviewed the Staff Leasing Agreement and finds the conditions set forth are in the interest in maintaining reliability of ambulance and emergency medical services for the residents of the District;

NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Boston, acting on behalf of the District, hereby acknowledges and approves the utilization by BES of supplemental emergency medical personnel pursuant to the Staff Leasing Agreement dated October 2, 2026, between BES and HEMS, without the Town becoming a party to said Agreement; and

BE IT FURTHER RESOLVED, that such approval shall not amend, modify, or supersede the Town's existing contractual arrangement with BES, shall not create any additional financial obligation or contractual liability on the part of the Town of Boston or the District, and shall not constitute an assumption by the Town or District of any obligations, responsibilities, or liabilities of either

party under the Staff Leasing Agreement. BES shall remain fully responsible for complying with all of its obligations under both the Staff Leasing Agreement and its existing contractual agreement with the Town, and all rights and remedies of the Town under that existing agreement are expressly reserved. Nothing contained herein shall constitute a waiver or modification of any insurance, indemnification, or defense obligations owed to the Town of Boston or the District pursuant to its existing contractual agreement with BES.; and
BE IT FURTHER RESOLVED, that nothing contained herein shall be construed as creating an employment, agency, or supervisory relationship between the Town of Boston or the District and any personnel furnished pursuant to the Staff Leasing Agreement, and neither the Town nor the District shall assume responsibility for the hiring, training, supervision, compensation, or termination of such personnel; and
BE IT FURTHER RESOLVED, that BES shall promptly provide the Town Board, acting on behalf of the District, with copies of any amendments, renewals, extensions, or material modifications to the Staff Leasing Agreement, and shall promptly notify the Town Board of any termination of said Agreement or material interruption in staffing services.

RESOLUTION 2026 – 74 **RESOLUTION AUTHORIZING BIDS FOR USED BUCKET TRUCK**

WHEREAS, the Town Highway Superintendent has advised that a used bucket truck is needed for Town highway operations and has submitted proposed specifications for one vehicle; and
WHEREAS, the Town Board desires to solicit competitive sealed bids in accordance with General Municipal Law § 103, without committing the Town to make a purchase at this time; now, therefore, be it
NOW, THEREFORE, BE IT RESOLVED, that the Town Board approves the specifications for one used bucket truck in substantially the form presented at this meeting, subject to nonmaterial final edits approved by the Town Attorney and Highway Superintendent; and be it further
BE IT FURTHER RESOLVED, that the Town Clerk is authorized and directed to publish an advertisement for sealed bids in the Town's official or designated newspaper and to make the complete bid package available to prospective bidders; bids shall be received and publicly opened at the date, time, and place stated in the advertisement; and be it further
BE IT FURTHER RESOLVED, that the Highway Superintendent may arrange inspections of vehicles offered, and all bids shall be presented to the Town Board for consideration and any award. The Town Board reserves the right to reject all bids and readvertise in accordance with law.

Reports and Presentations:

Highway Superintendent Telaak reported on the following:

Leaf pickup is underway, this week and last week are two busiest weeks. There are a lot of leaves out there, and the highway workers are doing a great job of getting them picked up. We will be picking up leaves for at least two to three more weeks until snowfall. He asked residents to put leaves out as soon as they can.
Plow trucks were essentially ready and the salt barn is full.
Two major trouble spots regarding drainage:
Hillcroft: The ditch behind Hillcroft was last cleaned 22 years ago and had not been a problem until this past Spring. The creek is now filled in and

should be cleaned before winter. He had offered at the previous meeting to clean it with his own machine, on his own time, at no charge. The Town Attorney advised waiting for a resolution, there was no resolution at tonight's meeting..
Colonial Drive: The subdivision dates to roughly the 1960s. In his opinion the creek was rerouted by the developer with a 90-degree bend behind the homes. A resident who owns property there has not allowed access for cleanup.
Boston Cross used to be a major problem area, where the Town spent a couple hundred thousand dollars on piping, a receiver and a trash rack with gravel dams, and no problem has occurred in many years.
On Pin Oak, a berm built along the gutter during his first year, authorized by the Town Board, has kept water in the gutter. Water has reached the Eighteen Mile Creek bridges only during 100-year rainstorms, and the last such event was ten or more years ago. He added that plugged culverts cause most problems. When there is a major storm, every town can have a problem, not just Boston.

Councilwoman Selby reported on the following:

Commended Superintendent Telaak for going above and beyond on drainage. She noted that she had served as drainage liaison for the past six years and expressed confidence in working with the Town's engineers and the Highway Superintendent going forward. Welcomed Deputy Miller back, it's nice to receive updates and thanked for coming.

Councilman Penders reported on the following:

Expressed appreciation for the new contract with Hamburg Emergency Services. He noted that it spares the Town from duplicating equipment and provides an excellent service to the Town. He wished everyone a Happy Thanksgiving, noted that there is one more meeting before that.

Councilwoman Martin reported on the following:

Nothing to report.

Town Clerk Quinlan reported on the following:

Reported that the previous day's Connect Life blood drive was held at the Patchin Fire Hall rather than at Town Hall. It collected 30 units, which could help save the lives of 90 local patients. The next blood drive will be Tuesday, December 1st, in the Town Hall Community Room from 2:00 to 7:00 PM. Also confirmed that HEAP outreach will be offered at Town Hall on December 15, 2026 and March 17, 2027. She invited residents to call her office for information, and flyers were posted at Town Hall and will be distributed around Town.

Supervisor Keding reported on the following:

Speed limit petition: Reported that the Town received a petition on October 26th from residents requesting that the speed limit on Thornwood, Park, and

DRAFT

Willow Drive be lowered from 35 to 25 miles per hour. Under New York State law, the request must be referred to Erie County. A resolution making the referral will be presented at the next meeting. He explained that if the County approves, the Town Board and Town Attorney would need to pass local laws, with public hearings, to remove the three roads from their current designated area and establish a separate 25 mile-per-hour area. He added that the County historically has not often honored such requests, but the Town will do its due diligence.

Route 219 lights: Two Town-maintained streetlights on the northern side of Route 219 toward Hamburg are out and will be repaired in the near future.

Water projects: Phase 1 has one outstanding punch list item, which the Town hopes to complete before Winter. Phase 2 is awaiting DEC and Army Corps of Engineers approvals, which are holding up the bid process.

Town Historian Frank Gamel: The Historian is working with a vendor who has offered to install Pomeroy Foundation markers.

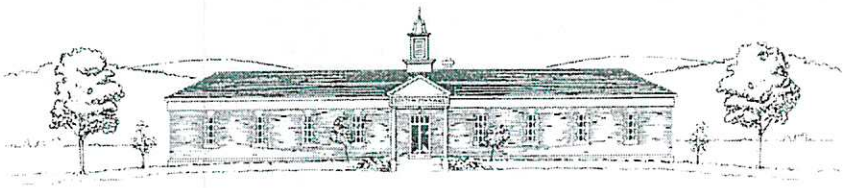

Drainage: Responded to the evening's drainage comments. He stated that the Town is addressing the cumulative effects of years of projects at today's higher costs. He explained that multimillion-dollar projects can realistically be funded only through a drainage district, which creates an additional tax, and that establishing one requires public hearings and local laws. A Town-wide drainage district could be placed before voters by permissive referendum, and other communities have taken this approach. That the decision would ultimately rest with the public and that grant funding is not guaranteed. He noted that the Town has worked with Erie County Soil and Water and commissioned a drainage study with LaBella, and that this Board created the first funding mechanism for drainage. He cited completed projects on Park Drive, near the Patchin Fire Hall, and on Heinrich Road near Zittel's Farms. He stated that a full drainage plan would cost more money and time but would identify all problem areas, and he invited residents to speak with him and review the comprehensive plan and drainage study.

A motion was made by Supervisor Keding and was seconded by Councilwoman Selby to adjourn the meeting at 8:17 p.m.

TOWN OF BOSTON – RESOLUTION NO. 2026 -75

REPLACEMENT OF BROKEN HYDRANT
AT NORTH BOSTON & HEINRICH ROAD

WHEREAS, the Town of Boston ("Town") and Erie County Water Authority ("ECWA") are parties to a Lease Management Agreement pursuant to which ECWA manages the Town's water distribution system and related sales and distribution of water to customers in Town water districts; and

WHEREAS, ECWA alerted the Town on April 27, 2026, that there was a broken hydrant at the corner of North Boston & Heinrich Roads which was replaced by ECWA on April 14, 2026; and

WHEREAS, the terms of the lease management agreement places the necessary repair work on ECWA and provides that the Town agrees to reimburse ECWA for the actual cost to perform the necessary work; and

WHEREAS, the final cost from Erie County Water Authority for the broken hydrant replacement is $7,917.51 chargeable to Water District 1; and

WHEREAS, there are not sufficient funds in the 2026 budget under account HA-8340.4 Water District 1 Contractual Costs to pay for this repair, thus needing a budget amendment;

NOW THEREFORE BE IT

RESOLVED, that the Town of Boston authorizes payment to the Erie County Water Authority in the amount of $7,917.51 out of the HA0-8340.4 Water District #1 Contractual; and

FURTHER RESOLVED, the Town of Boston Budget hereby is amended effective immediately to increase appropriations in account HA0-8340-0400 by $7,900 funded out of Water District #1's fund balance.

On November 18, 2026, the question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

TOWN OF BOSTON - RESOLUTION NO. 2026 - 76

AUTHORIZING UTILITY MODIFICATIONS FOR HOLIDAY LIGHTS PROJECT

WHEREAS, pursuant to Resolution No. 2026-25, the Town Board previously awarded the contract for the Utility Modifications – Holiday Lights Project to Loudon Building Company in the amount of $140,500.00; and

WHEREAS, in connection with the project, New York State Electric & Gas Corporation ("NYSEG") requires authorization for additional electrical connections along Boston State Road (Route 391), at an estimated cost of $2,630.00;

NOW, THEREFORE, BE IT

RESOLVED, that the Town Board of the Town of Boston hereby authorizes ten (10) additional electrical connections identified in the NYSEG Service Class 4 Streetlight Request Form in connection with the Utility Modifications – Holiday Lights Project; and be it further

RESOLVED, that Town Supervisor Jason A. Keding is hereby authorized to execute the NYSEG Service Class 4 Streetlight Request Form and any related documentation necessary to facilitate the work, and that the Town is authorized to pay the associated charges, estimated at $2,630, upon receipt and approval of the applicable invoices.

On November 18, 2026, the question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

Additional Instructions and Information

1) The municipality shall be responsible for all engineering, design, construction, mapping, maintenance, and record keeping of its facilities. Upon initially requesting a service connection, the municipality shall submit a map or detailed drawing of the geographical area to be lighted.

2) The municipality shall promptly notify the NYSEG of all subsequent fixture installations, removals, or replacements on an existing service connection. Notification for a replacement of a fixture in kind is not required.

3) Applicable to use of service for lighting of public streets, highways, roadways or other outdoor lighting for duly constituted public agencies, public authorities and public corporations.

4) The municipality may install lamps burning dusk-to-dawn only under this service classification.

5) The municipality shall identify lamp-fixtures in accordance with the latest NEMA Standards for high intensity discharge lamps and luminaries.

6) The municipality shall comply with all applicable codes and regulations--including the National Electric Safety Code.

7) The municipality shall label all poles with SC-4 using the designatin EO _ _ _ _, with the blanks being the 4 digit town code as assigned by NYSEG.

8) NYSEG will permit the municipality to attach its street lighting fixtures to existing wood poles along public property. Monthly pole attachment charge applies for each municipally owned mast arm or pole bracket supporting one or more luminaires. If a wood pole is jointly owned, the consent of the other joint owner is not required by NYSEG. If consent is required by the joint owner, then it may be acquired by the municipality without cost to NYSEG.

9) Where it is necessary for NYSEG to extend its distribution facilities to service connection point location(s), NYSEG shall bill the municipality costs and expenses.

10) The municipality shall provide access to lighting by means of a field investigation, to verify ballast compliance, lamp sizes, types, and numbers.

11) The municipality shall pay for each electrical point of connection of its overhead or underground facilities to NYSEG's overhead or underground facilities.

12) At times, NYSEG or a joint-owner may be determine, or be required to, relocate or replace its facilities. If the municipality's street lighting is making use of these same facilities, the municipality shall relocate or replace its street lighting, or transfer to substituted poles, or perform any other work required by NYSEG or joint-owner.

13) In cases of emergency, NYSEG or joint-owner may relocate, replace, remove or transfer the municipality's street lighting. The municipality shall reimburse NYSEG or joint-owner for the costs and expenses incurred.

TOWN OF BOSTON – RESOLUTION NO. 2026 – 77

REQUESTING TRAFFIC STUDY FOR SPEED REDUCTION TO ADDRESS TRAFFIC SAFETY CONCERNS ON: THORNWOOD DRIVE, PARK DRIVE, and WILLOW DRIVE

WHEREAS, the Town Board of the Town of Boston has received numerous signatures on a petition requesting a lowered speed limit; and

WHEREAS, the Town Board believes that one option to increase traffic safety at the mentioned locations would be to reduce the speed limit on Thornwood Drive, Park Drive, and Willow Drive in that area; and

WHEREAS, a traffic study is required prior to reducing the speed limit; and

WHEREAS, such a study must be performed by the Erie County Department of Public Works and the New York State Department of Transportation;

NOW THEREFORE BE IT

RESOLVED, that the Town Board of the Town of Boston hereby requests that the Erie County Department of Public Works and the New York State Department of Transportation conduct a speed study to establish a lower maximum speed at which vehicles may proceed on Thornwood Drive, Park Drive, and Willow Drive; and

IT IS FURTHER RESOLVED, that if a lower speed limit is approved, that the Town of Boston requests that the Town of Boston Highway Superintendent furnish and install appropriate signage; and

IT IS FURTHER RESOLVED, that the Town Clerk shall transmit this resolution and any other required documentation to the County Superintendent of Highways.

On November 18, 2026, the question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

Thank you for your past support of the North Boston Volunteer Fire Company through the purchase of a 50 Grand Raffle ticket. For more than 122 years, our all-volunteer fire and rescue force has served the community with pride, professionalism, and honor. This year, we are again asking for your support through the 50 Grand Raffle. While we hope you never need our assistance, we are proud to remain ready to serve you.

The 50 Grand Raffle is the North Boston Volunteer Fire Company's primary fundraising source for equipment, training, and operational requirements. Raffle proceeds help us maintain dependable equipment, provide up-to-date training, and remain ready when emergencies call us to action. We know you can choose from many worthy causes, and we are grateful for your consideration. Your ticket purchase directly supports the long-term sustainability of the North Boston Volunteer Fire Company.

Ticket sales are limited to 2,000, with $152,000 in total prize payouts. First prize is $50,000, the minimum prize is $200, and each ticket is eligible for all 99 drawings. Winning tickets are re-entered for every drawing. Because the raffle has historically sold out early, please purchase your ticket soon.

Enclosed are a pre-numbered ticket and a stamped, return-addressed envelope. To purchase by check, mail the completed ticket stub or stubs and your payment in the enclosed envelope. To purchase through Venmo, include the ticket number or numbers in the transaction memo and return the corresponding ticket stub or stubs so we can verify the purchase. Tickets become eligible for all drawings after the North Boston Volunteer Fire Company receives the stubs and verifies payment. ***Ticket numbers are not reserved.*** *If you do not plan to participate this year, please give the ticket or tickets to an interested friend or return them in the enclosed envelope.*

The 20th Annual 50 Grand Raffle Drawing will be held on Sunday, July 11, 2027, at 3:00 p.m. The virtual drawing will be closed to the public and broadcast live on Facebook. Winners will be posted at www.northbostonfire.com, where raffle information and updates are also available.
For additional raffle announcements and reminders, follow the North Boston Volunteer Fire Company Facebook page.

If you have questions, please text 716-254-8930 or call and leave a message, or email us at *50gRaffle@northbostonfire.com*.

Thank you for supporting our all-volunteer emergency responders and helping us remain ready to serve the community.

Sincerely,
North Boston Volunteer Fire Company, Inc.
