NOTICE OF PUBLIC HEARING

Proposed Local Law #17, 2026

PLEASE TAKE NOTICE that there has been presented to the Town Board on September 14, 2026, pursuant to the Municipal Home Rule Law, a proposed local law, to be known as proposed local law 17, 2065; this local law will

- Append the “Highmark Corner Community Destination Concepts” to the Comprehensive Plan.

THEREFORE, pursuant to the statutes and the provisions of the Municipal Home Rule Law, the Town Board of the Town of Hamburg will hold a public hearing on October 5, 2026, at 6:00 p.m. (local time), at which time all interested people may be heard.

COMMUNITY DESTINATION

Concepts

REGIONAL OPPORTUNITY

Former Highmark Stadium

- Mixed use, destination-oriented development.
- Stadium tour business, Team hall of fame exhibit and store, Hotels.
- Study: Titledown.

HAMBURG COMMUNITY PRIORITIES 2021-2022 COMPREHENSIVE PLAN

ORIGINAL CONCEPT

Concept Review Comments 7/9/26

MARKET SATURATION

- Can the market support this amount of retail 356-days of the year?

ANCHOR & MIXED USE DEFINITIONS

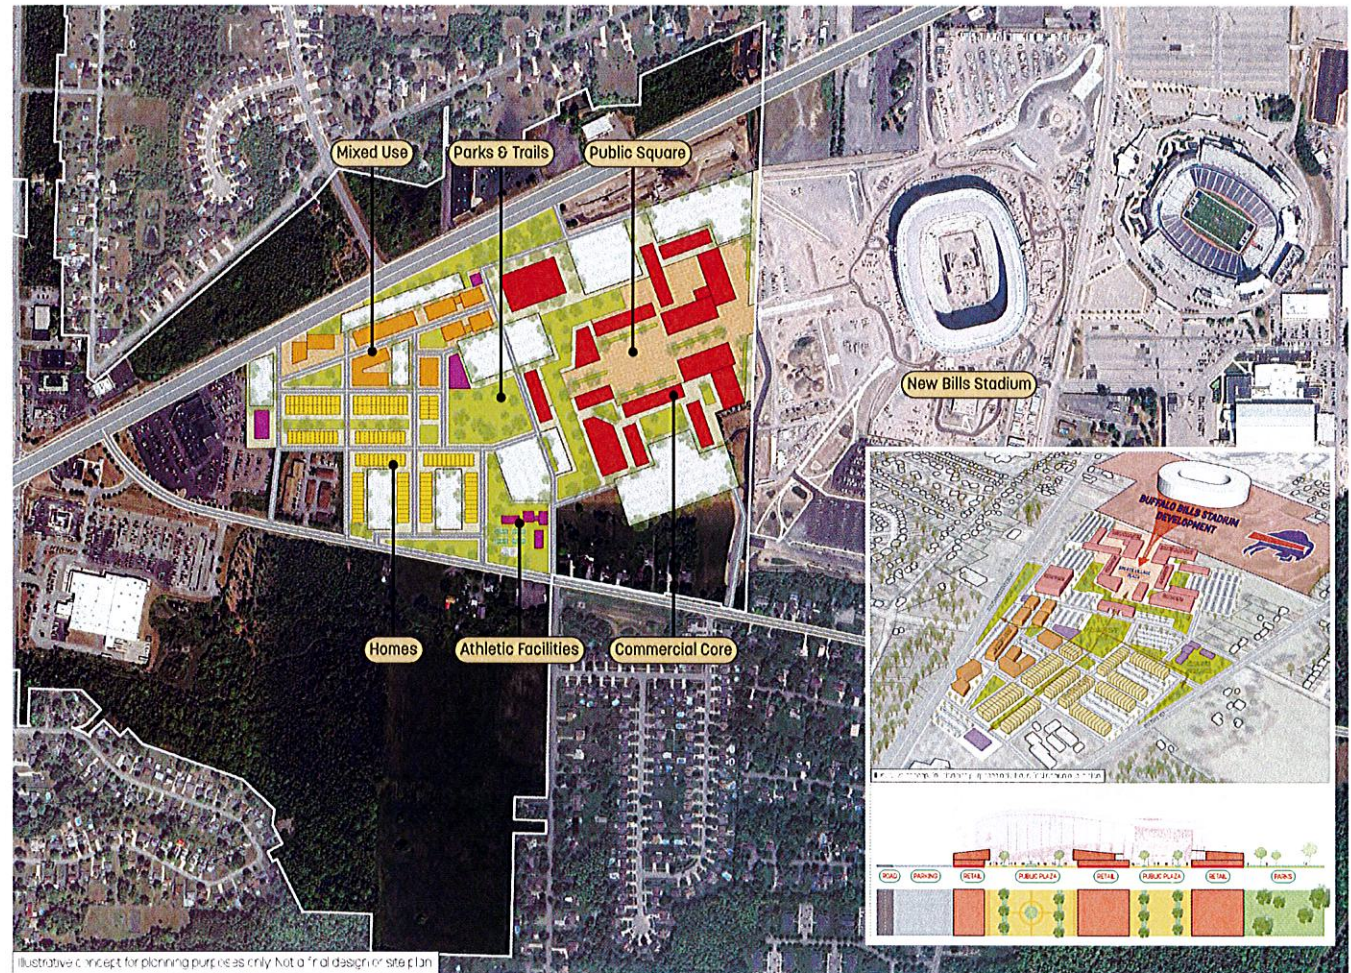

- The concept needs another "hook" to leverage the stadium investment and draw people in.
- Where is the heart of the project?
- How is mixed use defined? By building, lot, block or site?

CONNECTIVITY

- Parking lots are an "edge"; the promenade is insufficient as a connection.
- Brompton Drive is not connected to and through the area.

ACCESS, CIRCULATION & SAFETY

- Options for Transportation Demand Management Strategy.
- Provide a safe crossing location for pedestrians and cyclists.
- Provide a better, grided system that provides more options for travel.

PROJECT GOALS

01 CREATE A WALKABLE,
MIXED-USE NEIGHBORHOOD
WITH YEAR-ROUND
ACTIVATION THAT CAN
SUSTAIN ITSELF WITHOUT
DEPENDING ON THE
STADIUM AS A DRAW

02 BRING ACTIVITY TO THIS
CORRIDOR THAT GOES
BEYOND GAME-DAY

03 PRESERVE GAME-DAY
TAILGATING EXPERIENCE

DESIGN PRINCIPLES

Improved Multi-modal Connectivity.

Create safe, seamless, cross-town connectivity and an interior grid of streets that would support multi-modal access.

Stadium-informed Programming.

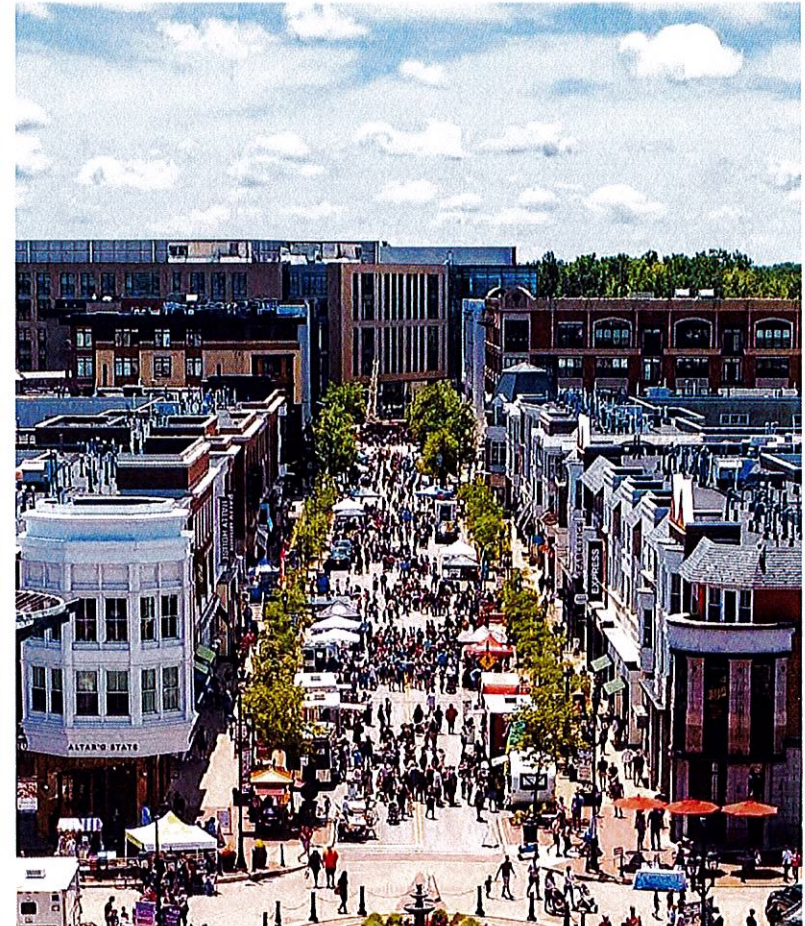

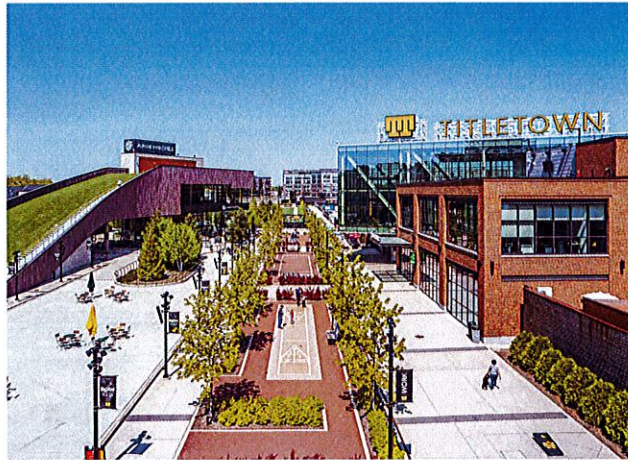

Activate the edge closest to the stadium with plazas, event spaces, and game-day amenities.

Year-round Destination.

Mix of shops, homes, and civic uses that sustain economic activity beyond the football season.

Sensitivity to Neighbors.

Landscaped buffers, smaller-scale buildings, and new greenways that link existing neighborhoods to the stadium district.

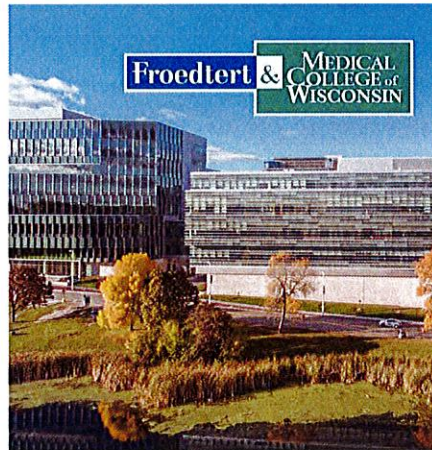

PROJECT DRIVERS

Medical Clinics

Outpatient & Sports Medicine.
Bring high-volume, non-gameday patient visits directly to the district year-round.

Western New York's healthcare sector (anchored by major networks like UBMD Orthopedics, Kaleida Health, and ECMC) is a primary economic driver in Erie County. The Southtowns currently lack a centralized, mega-footprint sports science and outpatient rehab center.

Campus Adaptive Reuse Opportunity: Existing ECC institutional structures can be adaptively reused into outpatient surgery centers, physical therapy labs, or orthopedic urgent care facilities.

5,000-Seat Arena

Events / Theatre / Hospitality / Convention Space.
Bring high-volume, non-gameday visitors directly to the district year-round.

The immediate Southtowns area suffers from a shortage of full-service, mid-to-upper-tier hotel accommodations. Visitors for Bills games, youth sports tournaments, corporate events, and wedding trade are currently pushed toward downtown Buffalo or suburban Airport/Cheektowaga clusters.

Campus Adaptive Reuse Opportunity: A 150- to 200-room hotel paired with flexible banquet/meeting space on Big Tree Road or Southwestern Blvd creates a revenue generator 365 days a year.

FRAMEWORK PLAN: CONNECTED ANCHORS & NEIGHBORHOODS

CONNECTIVITY & PLACEMAKING

Stitch the Neighborhoods Across Brompton Dr. & Parker Rd.

Provide a signalized Intersection and through-block connection with sidewalks, lighting, and landscaped parkways to transition from the residential neighborhoods to the new community destination district. The intent is to improve vehicular, pedestrian, and bike connectivity while providing safe crossings at the busy arteries of Southwestern Blvd and Big Tree Road.

Enhance Southwestern Blvd with Tree-lined Medians & Multimodal Paths

As a primary gateway and corridor, Southwestern Blvd defines the resident and visitor experience to Highmark Stadium and this future community destination. Besides creating an attractive, comfortable, walkable, streetscape, planted medians and parkways calm traffic and reduce speed without sacrificing throughput. At key pedestrian and bike crossings along this wide and busy artery, medians also serve as safety islands.

Incorporate Shared Streets Along the Organizational Axis & Promenade

A shared street, or “woonerf,” is a design concept in which vehicles share the same space pedestrians and cyclists. The curbless paving, narrow visual paths, on-street parking, and integrated space with intentional landscaping and lighting are intended to create a slower, inviting environment for people to linger, gather, and socialize. For a mixed-use anchor, this significantly increases foot traffic for local cafes, shops, and restaurants and enhances the desirability of the district.

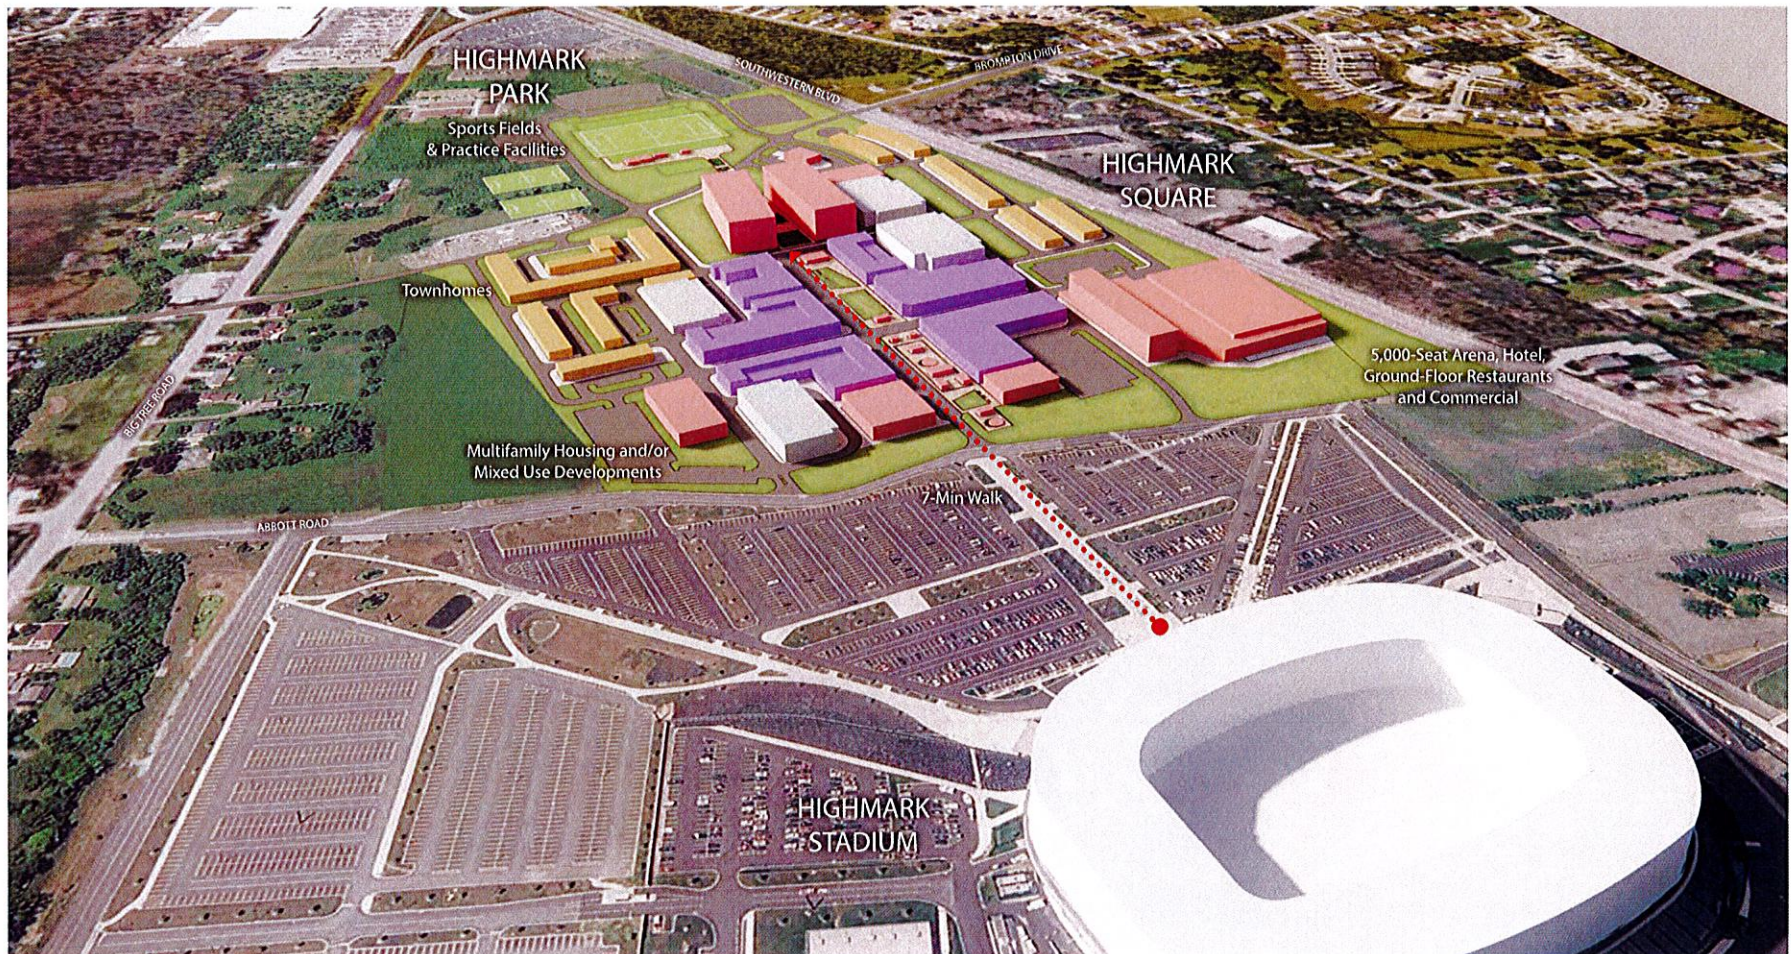

Create an Active, Comfortable Sidewalk Edge

Besides establishing an interior grid of collector and local streets accompanied by a complete network of sidewalks or multimodal paths, design attention to the streetscape can soften the overall district, providing a counterpoint to the open parking lots and plazas surrounding the Highmark Stadium. At key collector streets through the proposed Highmark Square, walkability can be enhanced by an intentional rhythm of shade trees and the careful placement of outdoor seating, lighting, and other street furniture.

4.5. Demolition Public Hearing Findings for 5036 Lakeshore Rd.

WHEREAS, the Hamburg Town Code Chapter 80-3 C. requires a public hearing to be held prior to the demolition of a structure deemed unsafe by the Town Board; and

WHEREAS, the Town Boards designees conducted a public hearing held on September 17, 2026 at 4:00 PM about the demolition of 5036 Lakeshore Rd; and

WHEREAS, the property owners representative presented information pertaining to the reparability of the structure, including a structural analysis signed by a registered design professional, and a detailed scope of work with a time line to repair the structure; and

WHEREAS, the Town Boards designees review the information provided by the owners representative and made a recommendation that the demolition of the structure located at 5036 Lakeshore Rd. be postponed with conditions; and

BE IT RESOLVED that the Town Board postpone the demolition of 5036 Lakeshore Rd. with the following conditions:

1. Work will continue for the remediation and repair of the unsafe condition per the timeline supplied on September 23, 2026 in the scope of work.
2. A new roof covering will be installed by June 30, 2027.
3. Prior to any further demolition or material removal an asbestos survey will be provided to the Town of Hamburg.
4. All drawing and plans must be submitted to the Town of Hamburg Building Department showing the exact method the structural repairs will be performed.
5. All necessary Building Permits need to be obtained before work is started.
6. The house must be tested for mold and if mold is present it needs to be cleaned by a certified mold abatement contractor and retested.
7. All exterior elements of the house must be free from cracks, peeling or chipped paint and must be put back in an as new condition.
8. The Town of Hamburg needs to be listed as additionally insured on the owner and contractor's insurance policy until work has been completed and a Certificate of Compliance has been issued.
9. The property will remain in the new purchasers name (DeMarco) until work is completed and a Certificate of Compliance has been issued.

BE IT FURTHER RESOLVED that if any of the above conditions are not met or not met by the timeline provided by the owners representative, the Town of Hamburg will proceed with the demolition of the structure located at 5036 Lakeshore.

4.6. SEQRA - Town of Hamburg Drainage and Stormwater Management

WHEREAS, the Town of Hamburg, New York, County of Erie (“Town”) manages a drainage system which provides collection of the rainfall and snow melt runoff for properties within the Town and controls the quantity and quality of runoff into local, state, and federal waterways; and

WHEREAS, the Town Board, pursuant to Article 12-A of the New York Town Law, desires to establish the Town of Hamburg Drainage and Stormwater Management District (“District”) to provide a dedicated source of funding to continue to construct, operate, and maintain sufficient stormwater infrastructure to comply with increasingly stringent permit requirements, provide sufficient capital to repair/replace aging infrastructure, and to address the effects of increasing precipitation as a result of climate change (“Project”); and

WHEREAS, the Town Board is required to review the environmental impacts of the Project pursuant to Part 617 of the implementing regulations pertaining to Article 8 of the Environmental Conservation Law (“SEQRA”); and

WHEREAS, on September 14, 2026, the Town Board adopted a resolution (i) determining that the formation of the District is an Unlisted Action, and (ii) accepting the Short Environmental Assessment Form for the District;

WHEREAS, the Town Board has prepared a Full Environmental Assessment Form (Parts 1, 2, and 3) and received input from the public and its consultants, and has taken a hard look at the social, economic, and environmental impacts of the Project; and

WHEREAS, the findings of this review indicate that the Project will not adversely affect the natural resources of the State and/or the health, safety and welfare of the public; and

WHEREAS, the Town Board has reviewed the Project in accordance with the Town’s Local Waterfront Revitalization Program (“LWRP”) and has completed a Waterfront Assessment Form (“WAF”) for a Coastal Consistency determination and referred the Project to the LWRP committee, which recommended consistency.

NOW, THEREFORE, BE IT RESOLVED, that the Hamburg Town Board has determined that funding and implementing the Project is consistent with the LWRP, and will not result in any significant adverse impacts on the environment, including natural, archeological or historic resources, and a Negative Declaration is hereby issued, for the reasons set forth in the Environmental Assessment Form and

attachments; and

BE IT FURTHER RESOLVED, that the Town Board authorizes the Town Supervisor to sign the Environmental Assessment Form, which will act as the SEQRA Negative Declaration, and authorizes the placement of these documents in the Town's files.

4.7. Establishing Town of Hamburg Drainage and Stormwater Management

WHEREAS, the Town of Hamburg, New York, County of Erie ("Town") manages a drainage system which provides collection of the rainfall and snow melt runoff for properties within the Town and controls the quantity and quality of runoff into local, state, and federal waterways; and

WHEREAS, the Town has determined it will need a dedicated sole source of funding to continue to construct, operate, and maintain sufficient stormwater infrastructure to comply with increasingly stringent permit requirements, to provide sufficient capital to repair/replace aging infrastructure, and to address the effects of increasing precipitation as a result of climate change; and

WHEREAS, the Town Board of the Town, pursuant to Article 12-a of the New York Town Law, desires to create a Town-wide Drainage and Stormwater Management District (the "District") to manage and fund the entire stormwater system; and

WHEREAS, the Town directed the Town Engineer to prepare a general map, plan and report in such detail as required by Section 209-c of the Town Law to support the establishment of the District ("Report"); and

WHEREAS, after the Report was filed in the office of the Town Clerk, the Town Board, on September 14, 2026, duly adopted an order reciting a description of the boundaries of the District, the maximum amount estimated and proposed to be expended by the District for the first year of services, the fact that a map, plan and report describing the needs, boundaries, and costs of the District is on file in the Town Clerk's office for public inspection, and specifying that the Town Board shall meet at the Town Hall on September 28, 2026, for the purpose of conducting a public hearing on the establishment of the District and to hear all persons interested in the subject thereof concerning the same (the "Order Calling Public Hearing" or "Order"); and

WHEREAS, copies of the Order were duly published and posted according to law, and the Town Board did, at the time and place specified in said Order, duly meet and consider such proposal and heard all persons interested in the subject thereof, who appeared at such time and place, concerning the same; and

WHEREAS, the evidence offered at the public hearing supports the Town Board making the determination hereinafter made; and

WHEREAS, the formation of the District requires the Town to comply with, and the Town has properly complied with, the New York State Environmental Quality Review Act (Article 8 of the Environmental Conservation Law and its implementing regulations at 6 NYCRR Part 617; “SEQRA”);

NOW, THEREFORE, BE IT RESOLVED, by the Town Board, as follows:

Section 1. It is hereby determined that:

- (1) The Order Calling Public Hearing was published and posted as required by law and is otherwise sufficient;
- (2) All of the property and property owners within the District are benefited thereby;
- (3) All of the property and property owners benefited are included within the District; and
- (4) It is in the public interest to establish the District.

Section 2. The establishment of the District, as bounded and described in the Report, is hereby approved.

Section 3. The District shall be designated and known as the Town of Hamburg Drainage and Stormwater Management District.

Section 4. This resolution shall be subject to a permissive referendum in the manner provided in Article Seven of the Town Law.

4.8. Presentation of the Supervisor's 2027 Budget pursuant to Town Law §106(3)

WHEREAS, pursuant to New York State Town Law §106, the Town Supervisor, acting as Budget Officer, has prepared the 2027 Tentative Budget for the Town of Hamburg; and

WHEREAS, the 2027 Tentative Budget has been filed with the Town Clerk as required by New York State Town Law §106; and

WHEREAS, pursuant to Town Law §106(3), the Town Clerk is required to present the Tentative Budget to the Town Board at a regular or special meeting; and

WHEREAS, the Town Clerk has presented the 2027 Tentative Budget to the Town Board for its review and consideration; and

WHEREAS, a copy of the 2027 Tentative Budget is available to view in the Hamburg Town Clerk's Office, 6100 South Park Avenue, Hamburg, NY 14075.

NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Hamburg hereby acknowledges receipt and presentation of the 2027 Tentative Budget prepared by the Town Supervisor/Budget Officer pursuant to New York State Town Law §106; and be it further

RESOLVED, that the Town Board shall review the Tentative Budget and may make such changes, alterations, and revisions as it deems appropriate in accordance with New York State Town Law; and be it further

RESOLVED, that the Town Clerk is hereby directed to maintain the Tentative Budget as an official town record and to perform all duties required by law in connection with the budget process.

4.9. Resolution to adopt tax levy override

WHEREAS, a public hearing was held on September 28, 2026, for discussion and public comment concerning adoption of proposed local law #15, 2026

WHEREAS, proposed local law #15, 2026, is a local law to override the tax levy limit established in General Municipal Law Section 3-c,

NOW THEREFORE BE IT RESOLVED that the Hamburg Town Board adopt this proposed local law to read as follows:

Local Law No. 15 of the year 2026

Town of Hamburg, State of New York

A local law to override the tax levy limit established in General Municipal Law §3-c,

Be it enacted by the Town Board of the Town of Hamburg as follows:

Section 1. Legislative Intent

It is the intent of this local law to override the limit on the amount of real property taxes that may be levied by the Town of Hamburg pursuant to General Municipal Law §3-c, and to allow the Town of Hamburg to adopt a budget for the fiscal year 2027 that requires a real property tax levy in excess of the “tax levy limit” as defined by General Municipal Law §3-c.

Section 2. Authority

This local law is adopted pursuant to subdivision 5 of the General Municipal Law §3-c, which expressly authorizes a local government’s governing body to override the property tax cap for the coming fiscal

year by the adoption of a local law approved by a vote of no less than sixty (60%) of said governing body.

Section 3. Tax Levy Limit Override

The Town Board of the Town of Hamburg, County of Erie, is hereby authorized to adopt a budget for the fiscal year 2027 that requires a real property tax levy in excess of the amount otherwise prescribed in General Municipal Law §3-c.

Section 4. Severability

If a court determines that any, clause, sentence, paragraph, subdivision, or part of this local law or the application thereof to any person, firm, corporation, or circumstance is invalid or unconstitutional, the court's order or judgment shall not affect, impair, or invalidate the remainder of this local law, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or part of this local law or in its application to the person, individual, firm or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5. Effective Date.

This local law shall take effect immediately upon filing with the Secretary of State.

**Inter Municipal Agreement
Between Erie County and Town of Hamburg
Project Number: 5763.32
Project Name: Rehabilitation of McKinley Parkway (CR 204)
from Quinby Drive to Southwestern Boulevard (US Rte. 20)
Location: Town of Hamburg, Erie County, New York**

This Agreement, dated this _____ day of _____, 2025 by and between the **County of Erie**, a New York State municipal corporation with its principal office for the transaction of business at 95 Franklin Street, Buffalo, New York 14202 (hereinafter referred to as “County”) and the **Town of Hamburg**, having its principal office for the transaction of business at 6100 S. Park Avenue, Hamburg, NY 14075 (hereinafter referred to as “Town”). The County and Town may be individually referred to hereafter as a “Party”, or collectively as the “Parties”.

WHEREAS, the County is undertaking a project to rehabilitate pavement, make drainage improvements, make shoulder improvements, make pedestrian improvements, and make signal and intersections improvements along McKinley Parkway from Quinby Drive to Southwestern Boulevard (US Rte. 20) (hereinafter referred to as the “Project”); and

WHEREAS, the County will construct and fund all intersection and pedestrian improvements along McKinley Parkway in the Project area. The intersection and pedestrian accommodations include signal replacement at the intersection with Bayview Rd/Sowles Rd, signal improvements at the Tops/NAPA Plaza, ADA ramps, and stripped crosswalks (hereinafter collectively referred to as the “Betterment”); and

WHEREAS, the Project presents a unique and time limited opportunity to undertake the Betterment; and

WHEREAS, the County and Town desire to enter into a cooperative agreement to coordinate and facilitate the Betterment for the benefit of Town and County residents; and

WHEREAS, the County agrees to be responsible for the construction cost associated with the Betterment; and

WHEREAS, the Town will assume ownership and maintenance responsibilities related to the Betterment after completion of construction; and

WHEREAS, the County is managing the construction of the Project; and

WHEREAS, the County agrees to include the Betterment as a part of the construction of the Project.

NOW, THEREFORE in consideration of the foregoing and of the mutual covenants and promises contained herein, the receipt and sufficiency of which the Parties mutually acknowledge, the Parties agree as follows:

Article 1 Betterment Description:

The Betterment shall include the following:

- Signal replacement at the intersection with Bayview Rd/Sowles Rd, signal improvements at the Tops/NAPA Plaza, ADA ramps, and stripped crosswalks with the highway boundary of McKinley Parkway between the limits of Quinby Drive and Southwestern Boulevard (US Rte. 20)

Article 2 Schedule:

The Project, including the Betterment, is tentatively scheduled to be advertised for bids by the County in the Fall of 2025, with construction to be completed by the County's contractor in 2026.

Article 3 Scope of Work:

Once the Project, including the Betterment, has been bid and awarded, the County shall be responsible for all construction inspection and construction administration of the Project, including construction of the Betterment.

The County shall provide the Town with one (1) complete set of as-built drawings in pdf format upon completion of the Project.

Article 4 Betterment Cost:

The County shall be solely responsible for the construction cost of the Betterment, including approved overruns, as well as construction inspection and administration. Once construction of the Betterment is complete, the County shall no longer be responsible for any costs associated with the operation and maintenance related to the Betterment.

Article 5 Ownership and Maintenance upon Substantial Completion:

The Town shall be responsible for the ownership and maintenance, including any associated costs, of the following items within the Town limits upon completion of the Project:

1. Traffic signal infrastructure including pole, span wire, signage, signals, signal controllers, pedestrian signal poles, buried loop wiring or detection cameras as applicable, electrical services, stop bar striping and turn symbol striping.
2. The pedestrian facilities including sidewalks, ADA ramps, crosswalk striping, and signage; and

Article 6 Indemnification:

During construction of the Project, including the Betterment, the County of Erie, to the fullest extent permitted by law, shall defend, indemnify and hold harmless the Town, their members, officers, employees and agents from and against any and all liability, damages, claims, demands, costs, judgements, fees, reasonable attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the County or third parties under the direction or control of the County.

Upon substantial completion of the construction of the Project, the Town shall take ownership of and be responsible for the maintenance and operation of the Betterment. As such, the Town, to the fullest extent permitted by law, shall defend, indemnify, and hold harmless the County and their members, officers, employees and agents from and against any and all liability, damages, claims, demands, performance or failure to perform hereunder by the Town or third parties under the direction or control of the Town with respect to the Betterment.

Article 7 **Notice:**

All notices of any nature referred to in this Agreement shall be in writing and either sent by registered or certified mail postage pre-paid, or delivered by hand or overnight courier, as set forth below or to such other addresses as the respective parties hereto may designate in writing. Notice shall be effective on the date of receipt. Notices shall be sent to the following:

To the County: Commissioner of Public Works
County of Erie
95 Franklin Street
Buffalo, New York 14202

With Copy to: Erie County Attorney
95 Franklin Street
Buffalo, New York 14202

To the Town: Town of Hamburg Clerk

Hamburg, NY 14075

With Copy to: Town of Hamburg Attorney
6100 South Park Ave.
Hamburg, NY 14075

Or at any such other address or such other person as the Parties may designate.

Article 8 **Severability:**

If any provision of the Agreement proves to be illegal, invalid, or unenforceable, the remainder of the Agreement will not be affected by such finding, and each provision of this agreement shall be valid and enforceable to the fullest extent permitted by law.

Article 9 **Governing Law:**

This Agreement shall be governed by and constructed in accordance with the laws of the State of New York.

Article 10 **Entire Agreement:**

This Agreement and Exhibits attached hereto constitute the sole and complete agreement and understanding of the Parties with respect to the rights granted herein and supersede all prior written or oral agreement and understandings with respect to the rights granted herein.

Article 11 **Amendment:**

This Agreement shall not be changed, amended, or altered in any way, except in writing and executed by all Parties.

Article 12 Assignment:

No Party shall assign this Agreement without prior written consent of all other Parties.

Article 13 Counterparts:

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, and all of which shall together constitute but one and the same instrument.

Article 14 Whereas Clauses:

The Whereas Clauses set forth above are hereby incorporated and made a part of this Agreement.

Article 15 Independent Contractor:

It is mutually understood and agreed by the Parties that an independent contractor relationship be hereby established under the terms of this Agreement and that the Town and any employees of the Town are not, nor shall they be deemed to be, employees of the County. Similarly, the County and any employees of the County are not, nor shall they be deemed to be, employees of the Town.

Article 16 Executive Order No. 13 (2014):

The Town shall comply with Erie County Executive Order 13 (2014) and agrees to complete the Certificate collectively attached hereto as **Exhibit A** and made a part hereof. The Town shall make such records available, upon request, to the County's Division of Equal Employment Opportunity for review. The County shall have the right, upon reasonable notice and at reasonable times, to inspect the books and records of the Town its offices and facilities, for the purpose of verifying information supplied in the Erie County Equal Pay Certification and for any other purpose reasonably related to confirming the Agency's compliance with Erie County Executive Order 13 (2014). Notwithstanding the termination provisions contained herein, violation of the provisions of Executive Order 13 (2014), may constitute grounds for the immediate termination of this Agreement and may constitute grounds for determining that the Town is not qualified to participate in future County contracts.

(END TEXT)

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed by their duly authorized officers and/or agents as of the day and year first set forth above.

ERIE COUNTY EQUAL PAY CERTIFICATION

DRAFT

Erie County Equal Pay Certification

In order to comply with Executive Order 13 dated November 6, 2014, we hereby certify that we are in compliance with federal law, including the Equal Pay Act of 1963, Title VII of the Civil Rights Act of 1964, Federal Executive Order 11246 of September 24, 1965 and New York State Labor Law Section 194 (together "Equal Pay Law"). The average compensation for female employees is not consistently below the average compensation for male employees, taking into account mitigating factors. We understand that this certification is a material component of this contract. Violation of the provisions of Executive Order 13, which is attached hereto and made a part hereof, can constitute grounds for the immediate termination of this contract and may constitute grounds for determining that a bidder is not qualified to participate in future county contracts.

We have evaluated wages and benefits to ensure compliance with the Federal Equal Pay Law.

Town Board of the Town of Hamburg
October 5, 2026 Meeting

4.20. Helps Program

WHEREAS, The Town Board has the authority to manage the Town of Hamburg Personnel efficiently and effectively in accordance with applicable laws, rules, regulations, and collective bargaining agreements, including New York State Civil Service Laws and the Erie County Rules for the Classified Service; and

WHEREAS, New York State Civil Service Commission has developed and the Erie County Personnel Department has adopted the NYS HELPS (Hiring for Emergency Limited Placement Statewide) program, which allows for the inclusion of titles where qualified individuals may be appointed to a non-competitive version of a competitive title in order to gain permanent status without competitive examination and upon completion of a necessary probationary term be placed in the competitive class without further exam; and

WHEREAS, Erie County has recommended that the below resolve clause regarding the appointment process be approved to allow the Town of Hamburg to appropriately utilize the NYS Helps program in its most efficient form so as not to delay the ability of employees hired through the program to gain permanent status; Now therefore be it

RESOLVED, that any individual appointed through the NYS Helps program, as approved and administered by The County of Erie, and upon completion of the minimum probationary term of the position and the requirements as outlined/approved by Erie County Civil Service, shall be afforded the rights of that of a competitive class appointment without further exam or approval by the Erie County Civil Service Commission. The Town Board of the Town of Hamburg retains all rights and authority as it relates to hiring and employment procedures.
