Our summer programming is officially underway! We kicked off the season with the opening of the Community Pool on May 30. Prior to opening, our lifeguards participated in orientation, where they reviewed policies and procedures, practiced rescue techniques, and worked through common scenarios they may encounter during swim lessons, open swim, and lap swim. Orientation for our day camps and other summer programs will begin in late June.

Our day camps at Hamlin Park and J.P. Nicely Park are nearly full! Throughout the summer, Hamlin Park campers will have the opportunity to visit J.P. Nicely Park for our popular "Mega-Camp" days. These special events feature friendly competitions, visits from ecologists, creek walks, mobile laser tag, and a variety of other engaging activities. Mega-Camp continues to be a favorite experience for our campers each summer.

July 3 is quickly approaching, and preparations are well underway. We are finalizing event staffing and the parade lineup, while our participating nonprofits, bands, and activities are all in place. We look forward to another wonderful community celebration and can't wait to welcome everyone for a fun-filled day!

Our summer programming continues to be a great success, thanks to the dedication and hard work of our staff. Meaghan and I have been pulled in many different directions this season, and we are incredibly grateful for our day camp and aquatics teams. They have done a phenomenal job, and we are fortunate to have such a committed group supporting our programs.

Our July 3 celebration was another successful event. A special thank you goes to Meaghan Tent for coordinating the festivities once again, all while managing the first week of our day camps. We would also like to thank our generous sponsors for supporting both the parade and the fireworks display. Their continued support makes this community celebration possible.

The Community Pool has been extremely popular during the hot, dry weather in July. We have experienced a significant increase in daily admission visitors this season, putting us on pace to exceed our annual revenue goal.

In mid-July, our lifeguards participated in our annual "Guard Games," where staff members were divided into teams and competed in a variety of knowledge- and skill-based challenges. We closed out the night with some water polo and pizza.
