Arrests / Investigations

While there were various arrests made during the Month of September, two arrests of note were:

09/10/2026- Robert Dobstaff, of 1021 Olean Road, Lot 44 was charged with Criminal Possession of a weapon, Menacing 2nd and Obstruction of Governmental Administration in the second degree. The charges stem from an incident in which offender Dobstaff allegedly pointed what appeared to be a black semiautomatic handgun at a victim in a dispute over a motor vehicle. The handgun was later identified as being a replica handgun capable of firing bb's. Offender Dobstaff was arraigned in Aurora Town Court and was remanded to the Erie County Holding Center.

09/24/2026- Robert Dobstaff, of 1021 Olean Road, Lot 44 was charged with burglary 2nd degree and Criminal contempt of court in the second degree. The charges stem from Offender Dobstaff allegedly entering the victim's residence without permission and violating a court ordered order of protection in which the offender was ordered to have no contact and stay away from the victim. Offender Dobstaff was arraigned in Aurora Town court and remanded to the Erie County Holding Center.

Various dates- There were four DWI arrests made in the month of September. PO Shea was the arresting officer in all four incidents.

East Aurora / Town of Aurora Police Department Interdepartmental Correspondence

09/21/26- Preston Dickey, of 1748 Boies Road was charged with Aggravated Harassment in the second degree after an 11-hour standoff with EAPD, OPPD and ECSO Swat Teams. Offender Dickey allegedly threatened the life of his family members and made statements that he possessed a firearm to carry out those threats. Offender Dickey also made threats against the lives of the police officers that responded to the disturbance at his residence. Offender Dickey was taken to ECMC for evaluation and then was remanded to the Erie County Holding Center.

9/15/26 and 9/21/26- On two separate occasions officers had unknown males on electric dirtbike/motorcycles without NYS registrations fail to stop. Officers in both situations did activate emergency lights and sirens but discontinued pursuit in the interest of safety. Electric motorcycles are different than e-bikes and can travel at high speeds.
