

TOWN OF CONCORD TOWN BOARD
Work Session start 5:45 p.m.

February 12, 2026

Supervisor Drozd discussed the following with the Board:

1. Larry and Diane are going to go to Kaufman Utz Tuesday, February 24 to sit with them and discuss the Highway books.
2. Supervisor Drozd received the GASBY report from Hometown Benefits Actuary regarding LOSAP. This report doesn't usually come in until April.
3. ARPA funds were closed out this week. They have not received anything back, so it should be all set.
4. Community Bank 2025 interest was \$48,374.89.
5. DCO inspection report came back as satisfactory.
6. The bill came from the Eden Vet Clinic for the abandoned dogs-\$900. There are four dogs still at the rehab, and if the SPCA has room they will go there. Two have been adopted. The police have a lead on who may have dumped the animals and are working with the DCO.
7. The CEO annual report was submitted to NYS.
8. There is one outstanding bill from Bridge NY, which is on the Abstract to be approved at the meeting 2/12/26, for \$2,390.17.
9. February sales tax was 12.09% greater than last year, which is to be expected with the rising cost of everything. YTD is 6.54% greater than last year.
10. Supervisor Drozd showed the Board the changes that were made to the last page of the building permit packet. This should help with confusion on information needed on the permit.
11. The check was received for items that were sent to the auction in the Fall of 2025-\$214.90
12. There is a bond payment due on 2/14/26, and it was taken care of on 2/6/26.
13. The culvert on Belscher Road that is located by Concord Road was bid out by Erie County for replacement.
